Kapitel 24: Lovely Night

Roses are red and violets are blue
My love is deep, my love is true.
I love you more than my own life
I love you ... and the beautiful knife.

You're afraid; I can read in your eyes
That you're scared of the knife – so cold as ice.
But believe me, honey – my sweet dear:
This knife is warm and soft and clear.

Cruelty is candy – so sweet as ice cream
You make me laughing; I make you scream.
Scream louder! Louder! Longer! High!
This sound is ecstasy for me ... oh my!

Your skirt turns red, the floor's a sea.
Even if you try, you'll never be free!
My deepest love ... it's your grave...
I'm the master – you're the slave.

... I make you to love me so deep as I do.
Now come and join the acting, too!
My prettiest vision is your worst dream.
I love you tonight ... I make you SCREAM.
