

Love Cheat

Lyrics for a sad love song

Von Ishizuka-Kazumi

Love Cheat

Love Cheat

On a hot summer day
You said you'd love me.
Is it real
Or do you just want to play with me?

I'm just a little girl,
But you are the hottest guy of the school.
Why are you choosing me
And not a girl that's really cool?

Refrain:
You keep saying you love me,
But how can I believe you?
Try to prove it to me,
So I know it's true.

What can I give to you?
It's not like I'd be better in anything –
I'm the little maiden
And you are the king.

I just don't want
To be betrayed.
You seem to lie
And I don't wanna earn hate.

Refrain:
You keep saying you love me,
But how can I believe you?
Try to prove it to me,
So I know it's true.

What about your friends,
Will they acknowledge me?
I'm not a hot chick,
That's why I disbelieve, you see.

Background:

*What if they hate me?
Will you defend me?
I'm scared you'll neglect me
And I just can't quit wondering
What's gonna happen then.*

I'm trying to trust you,
But how could I dare?
Because you're still the biggest liar
Who's ever been there.

Refrain:

*You keep saying you love me,
But how can I believe you?
Try to prove it to me,
So I know it's true.*

*You keep saying you love me,
But I won't believe you.
Because you've never tried to prove it,
So I know it's not true.*
