Man's Road  
(America)

Horizon rising up to meet the purple dawn  
Dust demon, screaming, bring an eagle to lead me on  
For in my heart I carry such a heavy load  
Here I am, on Man's road  
Walking Man's road...

I'm hungry, weary, but I cannot lay me down  
The rain comes, dreary, but there's no shelter I have found  
It will be a long time till I find my abode  
Here I am, on Man's road  
Walking Man's road...

Moon rising, disguising lonely streets in gay displays  
The stars fade, the nightshade, closing makes the world afraid  
It waits in silence for the sky to explode  
Here I am on Man's road  
Walking Man's road...

Where do Unicorns go?  
(America)  
In the sea, the fish have learned to fly  
On a moonlit night, on wings of silver  
As the enchanted stars sail serenely by

Do they know?  
Where do unicorns go?  
Where winged horses fly?  
Narwhals lost at sea,  
and never seen again...

Go, go and ask the magpie, "Where do unicorns go?"

In the trees, the birds have learned to speak  
Many coloured, they keep their secrets  
In a parade of clouds

Playing hide and seek,  
Do they know?  
Where do unicorns go?  
Where winged horses fly?  
Narwhals lost at sea,  
and never seen again.

Does myth and mystery lie?  
Where the unicorns go?

Now that I'm a Woman  
America  
(Amalthea)  
Once, I can't remember  
I was, long ago, someone strange.  
I was innocent and wise,  
And full of pain.  
Now that I'm a woman  
Everything is strange.  
Once, when I was searching  
Somewhere out of reach,  
Far away,  
In a place I could not find  
Nor heart obey.  
Now that I'm a woman  
Everything is changed.  
Everything is changed.  
Everything has changed.

That's all I've got to Say  
America  
(Lir)  
I've had time to write a book  
About the way you act and look,  
But I haven't got a paragraph.  
Words are always getting in my way.  
Anyway, I love you.  
That's all I have to tell you.  
That's all I've got to say.  
And now, I'd like to make a speech

About the love that touches each,  
But stumbling, I would make you laugh.  
I feel as though my tongue were made of clay.  
Anyway, I love you.  
That's all I have to tell you.  
I'm not a man of poetry.  
Music isn't one with me.  
It runs from me.  
It runs from me.

(Alternating Lir and Amalthea)  
And I tried to write a symphony / Once when I was searching  
But I lost the melody / Somewhere out of reach  
Alas I only finished half / Far away  
And finish I suppose I never may / In a place I could not find  
Anyway, I love you / Nor heart obey  
That's all I have to tell you / Now that I'm a woman  
That's all I've got to say / Now I know the way  
That's all I've got to say / Now I know the way  
(Together)  
That's all I've got to say
